Decision

Pursuant to the provisions of paragraph (b) of subsection (1) of section 56 of the Higher Education Act No. 111/1998 (hereinafter referred to as "Act") and the provisions of paragraph (b) subsection (7) of article 34 of the Study and Examination Code for Students of the Czech Technical University in Prague (hereinafter referred to as "Code"), the following decision has been issued:

Your study has been terminated.

Your study of Electrical Engineering, Power Engineering and Management programme in Economy and Management of Power Engineering at the Faculty of Electrical Engineering of the Czech Technical University in Prague has been terminated due to your failure to meet the study programme requirements stipulated by the provisions of paragraph (b) of subsection (9) of article 34 of Code. The decision to terminate your study will be effective upon the day when the termination of study comes into force. Henceforth, you will no longer enjoy student rights and privileges.

Reasoning

You failed to pass the following course(s): Financial Management (BE1M16FIM) in the prescribed manner for the second time. Pursuant to the provisions of subsection (5) of article 6 and the provisions of subsection (5) of article 10 of Code, which apply to you, a student may not take a course more than twice.

You failed to meet the requirements for the continuation of your study, stipulated by the provisions of subsection (4) of article 14 of Code, as you failed to earn the minimum required amount of 20 credits (earned 0 credits) in the academic year of 2019/2020, which pursuant to the provisions of subsection (7) of article 14 of Code, constitutes a failure to meet the study requirements.

Advice

Pursuant to the provisions of subsection (4) of section 68 of Act, you may file a petition in writing for a review of the above-stated decision within 30 days of the receipt of this document. The petition is to be filed with the authority that issued the above-stated decision through the Study Department of the Faculty of Electrical Engineering.
Note

Please contact the Study Department of the Faculty of Electrical Engineering in person within eight days of the receipt of this document, so that a record of termination of your study can be made. You are required to satisfy any and all outstanding financial obligations you may have to Faculty of Electrical Engineering. Further, you are required to return your student identity card to the CTU ID Card Issuing Office within eight days of the receipt of this document. After termination of the study, you will not enjoy student rights and privileges. Pursuant to the respective provisions of the Public Health Act No. 48/1997, after termination of the study you will no longer be considered a dependent child whose health insurance coverage is provided by the State. You are required to notify the respective health insurance company thereof within eight days of the receipt of this document.
