For the reason that you did not submit your Master's thesis within the deadline, but you gave a written excuse that was accepted by the dean, substitute term for submission of your Master's thesis was set to May 22, 2020.

You have already registered for the course „Master's thesis” twice. If you do not turn in your Master's thesis by a deadline given above, your study will be terminated according law § 68 because no course may be registered for more than twice.

Instruction
According to § 68, article 4 of Act No.111/1998 Coll., on Universities you can apply for review of this decision within 30 days after the receipt of this letter.
